- Follows the period of the three Kings and the transition from all surface mail through the expanding use of Air Mail services.
- 14 **Postal Routes for International Mail of China during the Sino Japanese War of 1937-1945** 73-77
Albert Cheung [NSW]
- The ever changing postal rates for Chinese International Mail during the Sino Japanese War of 1937-1945 due to the changing War situation.
- 15 **A Special Study: The History of the League of Nations** 78-82
Greg Galletti [U.S.A.]
- This postal history exhibit is the story of the League of Nations, the first truly International Organisation. Through the lens of service covers of the League and its autonomous agencies, including the International Labour Organisation and the International Court of Justice, the story of the activities and purpose of the League is told.
- 16 **Postal History of Berlin 1945-1952** 83-90
Tony Brooks [U.S.A.]
- Resumption of the Postal Services in Post War Berlin, Germany 1945-1952
- 17 **Sweden & Great Britain: Mail Connections till U.P.U.** 91-98
Wayne Donaldson [NSW]

The exhibit shows the evolution of letter delivery between Sweden and Great Britain until 1879. Particular care is given to deciphering all postal and accountancy marks to prove the routes taken.

- 18 **A Postal History Study of Airmail from Iraq 1919-1945** 99-106
Armad Bin Ersa Al Serkal [UAE]

Study of Rates and Routes of Airmail from Iraq 1919-1945. The first 30 years including R.A.F. flights, special flights, crash mail and some feeder services.

- 19 **The Station Postal Markings of Egypt** 107-110
Abdulla Khoory [UAE]

The Postal Markings or Station Post Offices went through different forms, first date-stamps had Italian inscription. The second form had French and Arabic inscriptions. The third and last English and Arabic inscriptions.

- 20 **Postmark types [CDS] of South Vietnam 1955-1975** 111-112
Tim Kennaway [NSW]

This exhibit identifies and provides postal usage examples on cover of all the handstamped postmark types [CDS] used during the existence of the country of South Vietnam, officially named the Republic of Vietnam [RVN] from 1955-1975

- 21 **London Postal History - Postmarks** 113-120
Raymond Wisbey[NZ]

Early letters - Foreign Office, Experimental Trials and Ship marks 1459 to April 1840

Postal History- Modern

- 22 **Spanish Variable Value Stamps 1979-2017** 121-125
Tim Schofield [NSW]

This exhibit shows the trials and usage of Variable Value Stamps in Spain. These were produced by printing values at the point of sale on pre-printed rolls of stamps with no value. Different machines and types of stamps are shown.

- 23 **Death of a Postal System - Zimbabwean Inflation** 126-130
Bob Hisey [U.S.A.]

Study of rates from independence to collapse of currency.

Aerophilately

- 24 **Trans Tasman Flight Covers 1928-1940** 131-132
Andrew Small [NSW]

A display in chronological order of the Trans Tasman Flight covers including a flight cover from the first Trans Pacific Flight that proved Trans Tasman air travel was possible.

- 25 **Development of an Airmail Service to Madagascar 1929-1937** 133-136
David Lee [WA]

In 1929 France and Belgium agreed to support the development of a regular "All Air" service between Europe and Madagascar and this exhibit shows representative material flown in achieving that.

Postal Stationery

- 26 **The Department of Education Postcards of New Zealand** 137-141
Lionel Savins [NSW]

A study of the postcards overprinted by the Government Printer, to simplify the requests for transfer of record cards etc. from school to school, from its introduction in 1927 to the end of the scheme in the 1970's.

- 27 **Australian Commonwealth Kangaroo Stationery** 142-149
Nancy Gray [NSW]

A study of the use of the Kangaroo design on all types of stationery including both Post Office and stamped to order.

- 28 **Tasmanian Embossed Stationery 1883-1912** 150-154
Malcolm Groom [Tas]

A study of the use of the three embossing dies on Official Envelopes and as part of the Embossed to order service for commerce and private users.

- 29 **India Asoka Stationery** 155-159
Ali Abdulrahman [UAE]

The exhibit starting off with 1951 Asoka Lions 2 Anna envelopes, end to bilingual version of the 20p air letters, covering pre and post decimal Inland stationery.

Postal Stationery - Aerogrammes

- 30 **Australian Aerogrammes 1944-1965** 160-164
Linda Welden [SA]

For over seventy years Aerogrammes have been produced in Australia. This exhibit covers the years 1945-1965 being the pre decimal years. Coverage includes 'open by censor', salvage crash mail, overseas destinations, specimens, mint versions. Exhibit concludes with Xmas issue of 1965.

- 31 **Airletters to Aerogrammes 1944 to 1968** 165-169
Anthony Scott [NSW]

This exhibit shows early Air Letters sent to and from Australia. From early Letter Cards - Air Letters - Airletters in Australia to the end of WWII, routes taken, paper used, postal rates, POW mail, special flights, some specimens, up to the introduction of Decimal Currency and beyond.

- 32 **Pre-decimal Australian Airletters and Aerogrammes.** 170-175
Ed Wolf [NSW]

The evolution and usage of Australian Airletters cards into Airletters and Aerogrammes up to the end of sterling currency. Specimens and Registered items are included. The period covered is 1941 to 13 February 1968.

- 33 **Australia - Airletters and Aerogrammes 1944-1968** 176-180
Joan Orr [QLD]

A roughly Chronological evolution of Aerogrammes in Australia from their beginning as Air Letters in 1944 to the end of the two flap issues in 1968. Included; Paper Shades, Knife Cuts, Flap Sizes, Specimens, Varieties and Usage.

- 34 **Australia's Note Printing Branch Aerogramme Production to 1971** 181-185
Martin Walker [SA]
The Aerogrammes produced by Australia's Note Printing Branch reflect the conditions in force when each was issued. This exhibit shows influences affecting the design, production issues, use and misuse of Aerogrammes produced for Australia and External Territories prior to the adoption of the UPU endorsed Aerogramme format.
- 35 **Australian Airletters and Aerogrammes to 1980 - The Note Printing Branch Era** 186-193
Frank Pauer [VIC]
This exhibit traces the Note Printing Branch era. Definitive, Commemorative, Official and Military Aerogrammes are shown.
- 36 **Fiji - Airmail Letter Cards and Aerogrammes [1944-1992]** 194-195
Paul Xavier [QLD]
Aerogrammes and forerunners available over the Post Office counters during the period. Different printings and use are shown, together with Watermark varieties of the QEII era.
- 37 **Air Letters of Burma** 196-200
Martin Walker [SA]
A chronological study of the issues of Burma from 1946 to the last issue produced by the Myanmar administration.
- 38 **Ethiopia Aerogrammes** 201-204
Bernard Beston [QLD]
Airletters including Aerogrammes from 1940's Formular types to Modern Issues.
- 39 **Belgian Aerogrammes - The Complete Story** 205-210
Michel Roland [SA]
The exhibit studies the complete story of Belgian Aerogrammes from their introduction in 1948 to their demise in 1996. It includes rare proofs, mint and FDI items, and destination usage in all seven continents.
- 40 **Air Letters and Aerogrammes of Canada** 211-218
Ian McMahon [ACT]
This display covers the air letters and aerogrammes of Canada including the stamped air letters and aerogrammes from the issues depicting King George VI first issued in 1947 as well as military and civilian forerunners.
- Revenues**
- 41 **Ecuador Papel Sellado** 219-226
Bernard Beston [QLD]

Showing the issue and use of Stamped Revenue Paper from 1824 to 1942 use in Colombia and Independent Ecuador.

- 42 **Entertainment Tax in South Africa** 227-231
Ian Matheson [South Africa]

The exhibit traces the history of entertainment tax in South Africa, archive material, stamps [of all four provinces] and usage are featured, as are tickets where the Tax has been prepaid. Much of the research is original work.

- 43 **South West African Revenues and Allied Tax Stamps.** 232-239
Howard Green [South Africa]

German S.W.A. revenues, usage of South African Revenues in S.W.A., plus overprinted South African revenues and S.W.A. pictorials. Also Penalty, Cigarette Tax, Entertainment Tax and Tribal Tax stamps.

Picture Postcards

- 44 **Picture Postcards of Swaziland** 240-243
Peter Van Der Molen [South Africa]

This exhibit features older and mostly mono-coloured postcards produced anywhere but with a reference to Swaziland somewhere on the card.

- 45 **Albert Kimmerling: His life and Times** 244-246
David Lee [WA]

These postcards illustrate the life and times of Albert Kimmerling, a French Aviator who made the first controlled flight in the Southern Hemisphere and who won prizes and decorations for his flying skills between 1909 and his death in 1912

- 46 **Engineering a City** 247-250
Anthony Presgrave [SA]

The city of Adelaide was surveyed and streets laid out before any building was commenced. It is a 'Planned City' surrounded by a Green Belt of Parkland through which the River Torrens flows.

- 47 **Napoleon Meets His Waterloo** 251-252
Donald Catterall [NSW]

This display tells the story of Napoleon from his rise to fame until his exile and concentrates mainly on his final defeat at the famous Battle of Waterloo.

- 48 **Hunter Region Shipping** 253-254
Donald Catterall [NSW]

This display features Shipping in the Port of Newcastle and it's environs. It covers both Sail and Steam eras and includes wrecks and regattas and many other incidents. Local cargo ships and excursion vessels are included.

- 49 **"Street full of Water - Please Advise"** 265-262
Jenny Roland [SA]

A visitor from London arrives in Venice. The exhibit show the sights and past history that he witnesses during his stay in Venice and surrounding lagoons

- 50 **Jetties of South Australia** 263-265
David Figg [SA]
- The South Australian coastline is dotted with well over a hundred jetties and many of these feature on picture postcards. Wherever a coastal town sprung up, invariably a jetty was built. This exhibit shows the variety of structures that were constructed over the years with many being rebuilt or repaired whilst some have since disappeared.
- 51 **The Aboriginal People of Western Australia** 266-270
Mike Kouwen [WA]
- Aborigines in some outlying areas are portrayed in an uncompromised state. Most demonstrate how European contact has influenced the traditional Aboriginal lifestyle because by the time postcards became an established social media [circa 1900], most Aborigines had been in extensive contact with Europeans and had 'adapted' to a new life.
- 52 **The Timber Industry in Western Australia** 271-272
Mike Kouwen [WA]
- The exhibit focuses on the hardwood timber industry [primarily Jarrah and Karri] at a time when income generation through export and immigration were primary considerations. The exhibit finishes by looking at other timber important in the development of the State e.g. timber in gold mining and the aromatic Sandalwood.
- 53 **Military New Zealand Hospitals World War I England** 273-276
Sue Claridge [NZ]
- This postcard pictorial account is of the New Zealand General Military hospitals situated in England during World War I. The first military New Zealand hospital was in Surry England and opened during July 1915 at Mount Felix, about 17 miles from London. Most hospitals had closed by September 1919. The United Kingdom hospitals are covered in order of opening.
- Polar**
- 54 **French Southern and Antarctic Territories** 277-282
Peter Brigden [NSW]
- The exhibit shows stamps issued for the French Southern and Antarctic Territories up to 1980, including usage on cover [often philatelic with expedition cachets] and a number of die proofs.
- 55 **Amazing Antarctica** 283-289
Kim Dwyer [NSW]
- An insight into some of Antarctica's extraordinary wildlife - birds [including penguins], seals and whales. Also included are sections dealing with Antarctic environment, food chain, introduced species, scientific research, human impact, Antarctic Treaty, explorers and exploration.
- 56 **The Story of the A.A.T. life of Wilkes Base 1959 till 1969** 290-292
Kevin Dwyer [NSW]
- Illustrated by photos, postmark dates, ship voyages, personal covers, QSL cards, postcards and ephemera.

- 57 **Antarctic QSL Cards** 293-297
David Figg [SA]
This exhibit shows the variety of QSL cards produced by Amateur Radio Operators whilst serving on Antarctic Bases and ships from the 1940's until the present day.
- 58 **Faroe Islands Postal History to 30.1.75** 298-299
John Higgs [NSW]
A selection of postal markings and usages to the end of postal control by Denmark.
- 59 **Legendary Ships in Antarctica** 300-301
Dianne Saunders [WA]
Together early ships and captains became historical legends making attempts to reach Antarctica. Many perished doing so. Advancement in ship design and construction over the decades, improved voyaging in Antarctica's harsh environment, with less tragedies. Covers, mail, stamps and postcards feature expeditions in the region.
- 60 **Conflict and Peace in the Soviet Arctic Region, 1937-1962** 302-309
Anthony Walker [NSW]
Through Postal History, Radi Telegrams, original photos and documents, this exhibit provides an insight into the work of the Soviets in the Arctic commencing with the "Secer One" aerial expeditions in 1937 and covering the 25 year period upto, during and after the second world war.
- Frugal**
- 61 **Stamps with Goodies** 310-312
Vivek Shukla [NSW]
An excellent collection of stamps from around the world, with variety of materials affixed like pearls, rubies, diamonds, volcanic ash, meteor dust, seeds, embroideries, laces, wood, etc.
- Literature**
- 62 **Australasian Stamp Catalogue , 32nd Edition** 313
Seven Seas Stamps [NSW]
New 32nd edition of ASC to early 2017. A4 400 pages in full colour with Postal Stationery, Koala Reprints, Decimal Booklets.
- 63 **Australian Postcard Society Bulletin** 313
Australian Post Card Society [SA]
Quarterly Journal of the Australasian Postcard Society containing articles on picture postcards, exhibition results, interstate and overseas news of interest to members, club syllabus, office bearers, announcements of up-coming events and a small member classified section.
- 64 **Australian Aerophilatelist** 313
Australian Airmail Society [SA]
Quarterly Journal of the Australian Airmail Society containing articles on airmail flights, exhibition results, interstate and overseas news of interest to members. Club syllabus, office bearers and announcement of up-coming events of interest to members.

- 65 **St. Vincent 1899-1965** 313
Russell Boylan [QLD]
- Detailing the issued stamps, Postal History, Stationery and Markings from the Key Plate issue of Queen Victoria to the first issue of Queen Elizabeth II
- 66 **The Arthur Gray Australian Booklet Collection** 313
Australian Philatelic Federation
Printed in full colour on 162 pages is a subset of the 8-frame exhibit of the most complete formed collection which won Gold and Large Gold medals both nationally and internationally.
- Non- Competitive**
- 67 **New South Wales – The Sydney Views** 314
Warren Oliver
- The display features the three values, 1d red, 2d blue and 3d green, of the “Sydney View” series of Postage Stamps, which were the first stamps issued by the Colony of New South Wales in 1850. Illustrated are the various plates of each value, the colour shades, varieties, usage on cover and various examples of the first numeral obliterations used on the stamps and covers.
- 68 **Early Hunter Valley Post Offices** 315
Mark Saxby/ John Lavender
A brief history of early Hunter Valley Post Offices with postmarks on covers and postcards.
- 69 **Educating Newcastle** 316
Roger Eggleton
A sampler of Newcastle Region School Names and Logos - Cut-outs and Covers from 1980's and 1990's Official Correspondence between Public Schools and Education Department Regional Offices.
- 70 **A Sampler of Postal Markings** 317
Chile Correos'
A small sample of the Postmarks & Postal Markings found on mailed from Chile from 1804 to the 1950's.
- 71 **Philatelic Souvenirs of the 1954 Royal Visit to Australia** 318
Greg Laidler
The Royal couple visited 70 cities and towns in 56 days. It is estimated that 70% of the population saw them. Many of these people prepared philatelic souvenirs at the places visited.
- 72 **Postal Innovations** 319
John Hill
- Examples of significant innovations in Postal Systems from the 14th Century to 1914
- 73 **Design Errors on Stamps** 320
Anna Hill

Selections from a world-wide collection of Design Errors on Stamps.

- 74 **WWII Military Mail from Newfoundland** 321
Jim MacDougall
Both USA and Canada maintained bases in Newfoundland in WWII. This display shows mail from all the Military Post Offices plus various censorship markings.
- 75 **Postcards Depicting Motorcycles** 322
Stephen Morris
Various Motorcycles on Postcards
- 76 **Newcastle Postcards** 323
Donald Catterall
Coal Mines of the Hunter
- 77 **Numismatic Covers** 324
Russell Goddard
WWI and WWII commemorating various anniversaries.
- 78 **Banknotes** 325
Maurice Glasson
World War II Japanese Invasion Money
- 79 **Banknotes** 326
Johanna Stafford
Evolution of the Australian \$5 note
- 80 **Australia Learns to go Decimal** 327
Johanna Stafford
Australia Learns to go Decimal
- 81 **The Australian Match Industry** 328
David Figg
This exhibit gives a timeline summary of all the major match manufacturers in Australia, all of whom no longer produce matches. The exhibit finishes with Swedish Match, the current owner of the iconic Miss Redheads brand whose product is now imported into Australia.
- 82 **Patriotic WWII War Slogans** 329
David Figg
During WWII four Australian Match Manufacturers issued patriotic war slogans and maxims on their products to help boost morale on the home front. These firms were Bryant & May and Duncans in Melbourne, Federal Match Company in Sydney and the W.A. Match Co. in Perth. This exhibit shows a range of these labels from all four factories.
- 83 **Australian Philatelic Federation Material** 330

187-193

207-209

5 frames
